

Free Independent Support Service

(Free EHC plan and assessment support for Parents, Carers and Young People)

We are a free independent resource
Book us to support your education setting and families

Independent Supporters in your area can work with your education setting to provide support in many different ways

- Deliver information sessions to staff in relation to the SEND reforms and the EHC process
- Provide materials and information for families and professionals
- Assist with the development of One Page Profiles
- Meet with Parents prior to and throughout the duration of the EHC planning and assessment process
- Deliver drop-in sessions for parents, carers and young people
