Customer Service

High-quality Learning Resources

In order to have a truly successful business, you need to provide good customer service – it is believed that 96% of unhappy customers don't ever complain, however 91% of those simply leave and never come back. The main reason for customer churn is not price but bad customer service. Handling a business's issues in a professional and courteous manner is an essential day-to-day task.

Benefits to your organisation

Improve your team's understanding of how to successfully handle complaints

Give employees a high standard of learning to support their customer service responsibilities

Reduce the risk of complaints and customer departures

Create a stronger workforce by enabling staff to identify their rights and responsibilities

Relevant to a wide variety of people and settings

Create a more motivated and engaged workforce by supporting CPD development and possible career progression

Evidence competency of staff in this subject area to external stakeholders

Allow employees to gain relevant skills, knowledge and understanding, leading to improved experiences for those using your services
