

free ehc plan workshops for young people

As part of our Independent Support Service we have developed interactive group activities to deliver to settings who support young people with SEND. Our activities focus around aspirations which are central to the EHC plan. The activities are designed to encourage young people to think about their future as well as having positive discussions about theirs and other peoples personal strengths and qualities.

This is a
FREE
service!

If you are interested in our free EHC plan workshops please contact your local Young Person's Engagement Officer:
